PITCH INSPECTIONS – IMPORTANT REMINDER TO ALL CLUBS

The following is sent for benefit of any new clubs or secretaries; and a general reminder to others.

Any 1st Team Game cannot be postponed until the day of the game - & only then after an inspection of the pitch by either the match referee or suitable replacement.

Should conditions mean that an early inspection is necessary – this should be carried out following consultation with the match referee – the ultimate decision is his.

Re: Match Programme's

We have had several complaints recently that clubs are not responding to requests for Squad information for programme purposes ahead of fixtures.

Clubs are once again reminded of requirements within Rule 8.14:

The visiting Club must send in writing to the home Club details of their matchday squad and management team together with any supplementary information required by the Competition from time to time (this may include their club crest, Club history, up-to-date pen pictures of their current Players registered with the Competition for the season [latest team photograph] and/or kit colours at least five days before the scheduled date of the match between the two Clubs.

Many Clubs, go to a great deal of effort in producing a decent match programme – and for their opponents to just ignore reasonable requests for squad details is totally unacceptable and disrespectful.

Clubs are encouraged report such breaches & any further instances, may result in charges under the above rule.

WEEKLY ROUND-UP

Another week, another deluge of rain , as this monsoon season continues to cause havoc with SCFL fixtures. Indeed, so far this season over 150 games have been postponed in all competitions due to the weather !

However, eight games did manage to beat the weather, with five of those being played on Grass !!!

In the Premier Division, Newhaven managed to cut Crowborough's lead at the top to six points following their 3-0 win over Horsham YMCA, meanwhile Hassocks moved up into 4th place following an impressive 3-0 over Eastbourne Town at the Saffrons.

Peacehaven, are 3rd following their own 2-0 win at much improved Loxwood, while of the chasing pack Haywards Heath Town and Eastbourne United played out a 1-1 which helps neither club significantly! While Lewis Russell's brace helped Midhurst to a 3-2 success at Lingfield.

In Division One, Arundel & Copthorne took advantage of Horsham's 3G pitch being unexpectedly free, by reversing their scheduled game from Mill Road. The mullets took full advantage by winning 7-2, helped on their way by two goals apiece from Daegan Walsh, and Carl Brown.

Montpelier Villa defeated bottom side Oakwood 3-1 thanks to a late double from Harley Damario, while Mile Oak and Chessington played out a goalless draw.
