

Weekly Bulletin...No. 20

7th DECEMBER 2024

To enable this bulletin to be produced, we rely upon clubs reporting Goalscorers & Attendances following Saturday fixtures. Sadly not all have done so:

This week those clubs **letting us down** are:

WORTHING TOWN

been receiving notice from their opponents until a day or two before the game - this is completely unacceptable. League Rules are quite clear that fixtures should be confirmed with opponents and match officials **FIVE** days prior to the game.

Whilst we fully accept that this will not always be possible in relation to match officials given the frequent late changes that can & do occur - the identity of your opponent's certainly does NOT !!!

Please also remember that, you should be confirming colour of keepers jersey in advance to avoid issues on the day of the game. !!!!!

Please accept this reminder to all of the requirements of the Rule - in future clubs failing to adhere can expect to be fined.

Rule 8.13

8.13 The home Club shall advise the visiting Club and the Match Officials of the date and time of kick-off of each match and the team colours, including the colour of the goalkeeper's jersey, it will be wearing, to be received at least five days prior to the match and the visiting Club and the Match Officials must acknowledge receipt to be received at least three days before the match. The visiting Club must include in its acknowledgement the team colours, including the colour of the goalkeeper's jersey, it will be wearing.

Clubs are once again reminded that it is most important that the home teams score is given first regardless of whether you are home or away; or have won or lost!! the same old mistakes are still being made !!!

Clubs are also reminded when playing at Home (1st XI's) to text attendance with result le : **2-1 UCK 1 ATT 120**
