

Weekly Bulletin...No. 3

10th AUGUST 2024

RULE 6.8 SUBSTITUTE NUMBER BOARDS (PREMIER & DIVISION ONE ONLY)

All clubs are **once again** reminded that the use of **Substitute Number Boards** is **mandatory** in all **Step 5 & 6 NLS** fixtures (Premier & Division One),

No excuses or discussion on this subject will be accepted.

Match Officials are also aware of this requirement, and in future any breaches reported to us, are likely to result in clubs being fined.

RULE 8.14 PRODUCTION OF MATCH PROGRAMME (PREMIER; DIVISION ONE & TWO)

Once again, SCFL will be undertaking checks to ensure that all clubs do comply with the Rules regarding programmes.

ALL CLUBS **must forward copy** of an early season match programme to SCFL no later than 30th

September. However, If your club is producing an online programme - you are required to send the **link to a copy** this season to admin@scfl.org.uk

(You are also reminded that link to any online programme must be shared with opponents & match officials ahead of the game)

EASTBOURNE AIRSHOW 15th to 19th August

Clubs are warned that all roads in and around Eastbourne, will be extremely busy during the above period due to the Town's annual Airshow. Consequently, anybody affected are strongly advised to allow extra time for their journey.

SMS Results

Clubs are once again reminded that it is most important that the home teams score is given first regardless of whether you are home or away; or have won or lost!! the same old mistakes are still being made !!!

Clubs are also reminded when playing at Home (1st XI's) to text attendance with result le : **2-1 UCK 1 ATT 120**

Notification of fixture details to opponents (& match officials)

We are aware of instances recently where clubs have not been receiving notice from their opponents until a day or two before the game - this is completely unacceptable. League Rules are quite clear that fixtures should be confirmed with opponents and match officials **FIVE** days prior to the game.

Whilst we fully accept that this will not always be possible in relation to match officials given the frequent late changes that can & do occur - the identity of your opponent's certainly does NOT !!!

Please accept this reminder to all of the requirements of the Rule - in future clubs failing to adhere can expect to be fined.

Rule 8.13

8.13 The home Club shall advise the visiting Club and the Match Officials of the date and time of kick-off of each match and the team colours, including the colour of the goalkeeper's jersey, it will be wearing, **to be received at least five days prior to the match** and the visiting Club and the Match Officials must acknowledge receipt to be received at least three days before the match. The visiting Club must include in its acknowledgement the team colours, including the colour of the goalkeeper's jersey, it will be wearing.
