**Weekly Bulletin...No. 4**

**17<sup>th</sup> AUGUST 2024**

**NEXT BULLETIN**

**IMPORTANT**

Please note that next week's bulletin will be published on the evening of Monday 26<sup>th</sup> August, so as to incorporate results from the Bank Holiday fixtures.

**RULE 6.8 SUBSTITUTE NUMBER BOARDS (PREMIER & DIVISION ONE ONLY)**

All clubs are **once again** reminded that the use of **Substitute Number Boards** is **mandatory** in all **Step 5 & 6 NLS** fixtures (Premier & Division One),

No excuses or discussion on this subject will be accepted.

Match Officials are also aware of this requirement, and in future any breaches reported to us, are likely to result in clubs being fined.

#### **RULE 8.14 PRODUCTION OF MATCH PROGRAMME (PREMIER; DIVISION ONE & TWO)**

Once again , SCFL will be undertaking checks to ensure that all clubs do comply with the Rules regarding programmes.

ALL CLUBS **must forward copy** of an early season match programme to SCFL no later than 30<sup>th</sup> September. However, If your club is producing an online programme - you are required to send the **link to a copy** this season to [admin@scfl.org.uk](mailto:admin@scfl.org.uk)

(You are also reminded that link to any online programme must be shared with opponents & match officials ahead of the game)

#### **SMS Results**

Clubs are once again reminded that it is most important that the home teams score is given first regardless of whether you are home or away; or have won or lost!! the same old mistakes are still being made !!!

Clubs are also reminded when playing at Home (1<sup>st</sup> XI's) to text attendance with result le : **2-1 UCK 1 ATT 120**

#### **Notification of fixture details to opponents (& match officials)**

We are aware of several instances recently where clubs have not been receiving notice from their opponents until a day or two before the game -

this is completely unacceptable. League Rules are quite clear that fixtures should be confirmed with opponents and match officials **FIVE** days prior to the game.

Whilst we fully accept that this will not always be possible in relation to match officials given the frequent late changes that can & do occur - the identity of your opponent's certainly does NOT !!!

Please accept this reminder to all of the requirements of the Rule - in future clubs failing to adhere can expect to be fined.

#### Rule 8.13

8.13 The home Club shall advise the visiting Club and the Match Officials of the date and time of kick-off of each match and the team colours, including the colour of the goalkeeper's jersey, it will be wearing, **to be received at least five days prior to the match** and the visiting Club and the Match Officials must acknowledge receipt to be received at least three days before the match. The visiting Club must include in its acknowledgement the team colours, including the colour of the goalkeeper's jersey, it will be wearing.

To enable this bulletin to be produced, we rely upon clubs reporting Goalscorers & Attendances promptly following Saturday fixtures. Sadly, not all have done so:

This week those clubs **letting us down** is: **CHICHESTER CITY B**

## WEEKLY ROUND-UP

### Heath progress in FA Cup

Haywards Heath are the only SCFL side through to the 1<sup>st</sup> Qualifying Round of the FA Cup, as second half goals from Darius Goldsmith & Alex Plummer saw them to a 2-0 win over Isthmian League opposition in Deal Town.

Saltdean United face a Tuesday replay after holding another Isthmian side Three Bridges to a goalless draw at Hill Park.

Sadly all other SCFL sides departed the competition, although several not without a brace fight against higher level opponents.

Eastbourne United losing narrowly 3-2 at Isthmian League Kingstonian, while YMCA were beaten 3-1 by more well known opponents – local rivals & ex-SXFL side Broadbridge Heath, and Crawley Down Gatwick lost 3-1 at another familiar club - current SCFL champions Steyning Town.

Crowborough were edged out 1-0 by another Isthmian League side - South Park (Reigate), while Loxwood were not surprisingly well beaten 4-0 at Margate

In the only Premier Division game, Bexhill emerged from Newhaven with a point as a dramatic Jack Samways equalizer deep into stoppage time gave them a 2-2 draw after Callum Edwards second half brace looked to have won the game for the Dockers.

In Division One, Seaford Town are now the only side to retain a 100% record after four games, as a Hayden Beaconsfield Brace helped them to a 3-1 win at Chessington & Hook.

Billingshurst & Forest Row shared to points in a 1-1 draw, while East Preston moved onto fourth place as Zion

McLeod's late double gave them the points. (2-0 against Banstead)

Arundel looked set for another big win as they led 3-0 against Copthorne, however the visitors fought back to level in the second half, before Ollie Humphries came up with a last-minute winner for the Mullets.

Infinity, newly promoted to Senior Football, enjoyed their second big win of the week, winning 6-1 at Oakwood, although to be honest their hosts were probably architects of their own downfall – in giving away two own goals, and conceding two penalties (both despatched by Tom Tierney).

Reigate Priory another club adjusting to life in senior football recovered from a 2-goal deficit at home to Selsey, not only to draw level but snatch all three points with a dramatic Joseph Elbishlawi winner deep into stoppage time.

In the other games Uckfield won 2-1 at Storrington, while Godalming took all three points against Worthing United thanks to a solitary Jon Miller-Annor goal early in the second half.

TD Shipley were the biggest winners in Division Two as they overcame Ferring 7-2 at Dragons Green, helped by a first half hat-trick from Adam Campbell-Stone, and a second half brace from Ollie Broad.

Liam Edwards' double helped Jarvis Brook defeat Worthing Town 3-0, while Hailsham overcame Rustington 2-0, and Capel defeated Bosham 2-0, as all three are the only clubs on maximum points from two games.

In the only other game Southwater overcame Chichester City 2-1.
