26th AUGUST 2024

League Directive on Technical Area Dismissals

The League Management Committee has issued the following Directive:

Any non-playing individual removed from the Technical Area by a Match Official must go to the opposite side of the ground furthest from the Technical Area for the remainder of the game; and they must take no further part in the match and must not re-enter the field of play at the end of the match.

The individual must not influence the game by speaking (e.g. telephone) to the remaining members of the Technical Area or to a member of the management team who is watching the game.

The only exception to the above is for the therapist who meets the minimum requirement, for health and safety reasons.

This also applies to Club officials who must go to a position in the ground from which they cannot view the remainder of the game and may be subject to disciplinary action, for instance, a member of the Management Committee of a participant Club who is abusive to a Match Official or to a player or opposing official and who is told by the Referee that he is to be reported.

Each Club Chairman/Secretary is responsible for ensuring that the individual concerned adheres to the requirements stated above.

Any breaches of the above Directive will be dealt with by the **League Respect Officer**.

RULE 6.8 SUBSTITUTE NUMBER BOARDS (PREMIER & DIVISION ONE ONLY)

All clubs are **once again** reminded that the use of **Substitute Number Boards** is **mandatory** in **all Step 5 & 6 NLS** fixtures (Premier & Division One),

No excuses or discussion on this subject will be accepted.

Match Officials are also aware of this requirement, and in future any breaches reported to us, are likely to result in clubs being fined.

RULE 8.14 PRODUCTION OF MATCH PROGRAMME (PREMIER; DIVISION ONE & TWO)

Once again , SCFL will be undertaking checks to ensure that all clubs do comply with the Rules regarding programmes.

ALL CLUBS **must forward copy** of an early season match programme to SCFL no later than 30th

September. However, If your club is producing an online programme - you are required to send the **link to a copy** this season to admin@scfl.org.uk

(You are also reminded that link to any online programme must be shared with opponents & match officials ahead of the game)

Clubs are once again reminded that it is most important that the home teams score is given first regardless of whether you are home or away; or have won or lost!! the same old mistakes are still being made !!!

Clubs are also reminded when playing at Home (1st XI's) to text attendance with result le : **2-1 UCK 1 ATT 120**

To enable this bulletin to be produced, we rely upon clubs reporting Goalscorers & Attendances promptly following Saturday fixtures. Sadly, not all have done so:

This week those clubs **letting us down** is:
