7th SEPTEMBER 2024

Clubs are once again reminded that it is most important that the home teams score is given first regardless of whether you are home or away; or have won or lost!! Once again the same old mistakes are still being made !!! Clubs are also reminded when playing at Home (1st XI's) to text attendance with result le : **2-1 UCK 1 ATT 120**

Notification of fixture details to opponents (& match officials)

We are aware of several instances recently where clubs have not been receiving notice from their opponents until a day or two before the game -

this is completely unacceptable. League Rules are quite clear that fixtures should be confirmed with opponents and match officials **FIVE** days prior to the game.

Whilst we fully accept that this will not always be possible in relation to match officials given the frequent late changes that can & do occur - the identity of your opponent's certainly does NOT !!!

Please also remember that, you should be confirming colour of keepers jersey in advance to avoid issues on the day of the game. !!!!!

Please accept this reminder to all of the requirements of the Rule - in future clubs failing to adhere can expect to be fined.

Rule 8.13

8.13 The home Club shall advise the visiting Club and the Match Officials of the date and time of kick-off of each match and the team colours, **including the colour of the goalkeeper's jersey**, it will be wearing, to be received at least five days prior to the match and the visiting Club and the Match Officials must acknowledge receipt to be received at least three days before the match. The visiting Club must include in its acknowledgement the team colours, **including the colour of the goalkeeper's jersey**, it will be wearing.

RULE 6.8 SUBSTITUTE NUMBER BOARDS (PREMIER & DIVISION ONE ONLY)

All clubs are **once again** reminded that the use of **Substitute Number Boards** is **mandatory** in all **Step 5 & 6 NLS** fixtures (Premier & Division One),

No excuses or discussion on this subject will be accepted.

Match Officials are also aware of this requirement, and in future any breaches reported to us, are likely to result in clubs being fined.

RULE 8.14 PRODUCTION OF MATCH PROGRAMME (PREMIER; DIVISION ONE & TWO)

Once again, SCFL will be undertaking checks to ensure that all clubs do comply with the Rules regarding programmes.

ALL CLUBS **must forward copy** of an early season match programme to SCFL no later than 30th

September. However, If your club is producing an online programme - you are required to send the **link to a copy** this season to admin@scfl.org.uk

(You are also reminded that link to any online programme must be shared with opponents & match officials ahead of the game)

To enable this bulletin to be produced, we rely upon clubs reporting Goalscorers & Attendances promptly following Saturday fixtures. Sadly, not all have done so:

This week those clubs **letting us down** is:

CHICHESTER CITY B
MONTPELLIER VILLA

WEEKLY ROUND-UP

Late winner sends Robins top.

Hassocks lead the way in the Premier Division after Darren Budd's winner in stoppage time gave them a narrow 2-1 victory over Peacehaven, who had started the day above them.

Local rivals Haywards Heath are only a point behind, as they continued their impressive early season form with a 2-0 victory over Newhaven, another of the heavily fancied sides.

Crawley Down Gatwick moved into fourth place, following their own highly impressive 5-0 victory at Petersfield Town, who suffered their second successive defeat after a highly encouraging start to life in SCFL. After a tightly first half – the anvils took complete charge after the break with two apiece from Charlie Pitcher and Josh Alder.

Loxwood are now fifth, as they continued their much-improved form this season as Charlie Martin's brace helped them defeat Lingfield 3-2, for whom Elliot Cannon's first half double was in vain.

Another brace from Josh Irish helped Wick come from behind to win 3-2 at Little Common, thanks to a controversial late penalty. Meanwhile Horsham YMCA rescued a point from their game at Crowborough as an Erald Memaj equaliser deep into stoppage gave them a 2-2 draw.

Saltdean United maintained their much-improved recent form with their third straight win, as they won 4-0 at Shoreham, while AFC Varndeanians secured their first win of the season as Damien Theodore's goal midway through the first half gave them a surprise 1-0 win over Eastbourne United.

In the other games Roffey defeated Midhurst 2-0; while Bexhill won with the only goal at Pagham.

Seaford Town maintained their place at the top of Division One, and indeed increased it to five points as they came from two down to defeat Dorking Wanderers 4-3 at the Crouch, Hayden Beaconsfield's second half double, including a later penalty which proved decisive.

Forest Row are second despite dropping two points in a high-scoring encounter at Infinity which eventually finished four each! after trailing to an early double from Tom Tierney for the hosts, Row fought back to lead 4-2, before two late goals rescued a point for the SCFL newcomers.

AFC Uckfield Town look to be running into form as two apiece from Ellis Wright and Joe Hasler helped them to an impressive 5-0 win at Selsey.

Billingshurst remain in third place following a 2-0 win at Mile Oak, meanwhile Arundel drew 1-1 at Chessington and are fourth.

Worthing United were the day's highest scorers as Dan Kingston helped himself to four, together with a Taylor Harding brace gave them a thumping 7-0 win at Copthorne.

Alfold, having to rebuild after losing all their players moved off the bottom following a 3-1 success over fellow strugglers Montpellier Villa.

In the Other games Banstead won 1-0 at East Preston, while Reigate Priory & Storrington shared the points in a 1-1 draw.

Jarvis Brook top Division Two following a 2-1 win at Chichester City Reserves, while Rustington defeated Southwater, who started the day top in front of probably the biggest crowd ever for a Division Two game (550).
