

Weekly Bulletin...No. 9

21<sup>st</sup> SEPTEMBER 2024

### **Notification of fixture details to opponents (& match officials)**

We are aware of several instances recently where clubs have not been receiving notice from their opponents until a day or two before the game - this is completely unacceptable. League Rules are quite clear that fixtures should be confirmed with opponents and match officials **FIVE** days prior to the game.

Whilst we fully accept that this will not always be possible in relation to match officials given the frequent late changes that can & do occur - the identity of your opponent's certainly does NOT !!!

Please accept this reminder to all of the requirements of the Rule - in future clubs failing to adhere can expect to be fined.

#### **Rule 8.13**

8.13 The home Club shall advise the visiting Club and the Match Officials of the date and time of kick-off of each match and the team colours, including the colour of the goalkeeper's jersey, it will be wearing, **to be received at least five days prior to the match** and the visiting Club and the Match Officials must acknowledge receipt to be received at least three days before the match. The visiting Club must include in its acknowledgement the team colours, including the colour of the goalkeeper's jersey, it will be wearing.

## SMS Results
